BURGUNDY

The wines of Burgundy have long been famous for their combination of liveliness, finesse, and elegance. Running from north to south, the region includes the Côte Dijonnaise, the Côte de Nuits, the Côte d'Or, the Côte de Beaune, through to the Côte Chalonnaise and Mâconnais in Saône-et-Loire. Vintages renowned worldwide for their flavours and two main grape varieties: Pinot Noir for reds and Chardonnay for whites.

LANGUEDOC - ROUSSILLON

It is one of the largest vineyards in France with more than 245 000 hectares of vines! It was planted by the Greeks and the Romans after they have planted the Provence one. It has a very beautiful wine heritage especially with regard to sweet wines like Maury and Banyuls. Those wines are perfect on desserts or digestive.

CHAMPAGNE

Famous all over the world for the quality of its sparkling wines, the Champagne region is one of the most unusual French vineyards. Listed as a UNESCO World Heritage Site since 2015, it is now one of the most dynamic vineyards in France.

ALSACE

Surrounded by French and Germanic influences, the Alsace terroir has birthed wines with names reminiscent of the names of expressionist painters: Sylvaner, Gewurztraminer, Riesling... A multitude of invitations to discover and taste that simply cannot be refused.

RHÔNE VALLEY

The wines of the Rhône valley are the fruit of ancient knowledge, combining strength and serenity. Their assertive tannins and subtle flavours are a feast for both the eyes and the taste buds.

BORDEAUX

Taking in the colours and flavours of the Bordeaux vineyards, a combination of roundness and intensity, is the first step on an unforgettable gustatory journey. So sit back, close your eyes, and let yourself be transported by these timeless wines.

PROVENCE

Provence has used its sunny location to make itself a wine region in its own right. From the Alpilles through to the Esterel Massif, its green hillsides and rocky soils endow the region's wines with a generous, brut character which commands respect and admiration.

RUINART ROSE

CHAMPAGNE

Ruinart was founded in 1729 in Epernay, making it the oldest domain in the Champagne area. The domain is negotiator but not grower, and purchases its grapes from over 70 producers. To this day it is owned by LVMH.

Ruinart Rose is a blend constructed on a base of Chardonnay and Pinot Noir, mostly classified as Premiers Crus with 20 to 25% coming from wines reserved from the 2 previous years. Hand-picked and fermentation in temperature-regulated stainless-steel fermenters.

Ruinart is the symbol of recognized know-how and art of living.

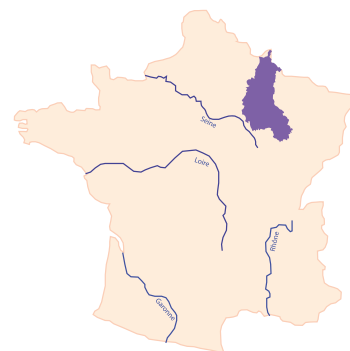

The colour is a delicate pomegranate pink with very slightly orange reflections. The sparkling, light effervescence has a persistent foam.

Subtle and fresh, first offering an original palette of tropical fruits (guava and lychee) and small berries (raspberries, cherries and wild strawberries) in the first instance.

On the palate, the attack is distinct and full, cradled by a gentle effervescence. The aromas of freshly picked berries are fully expressed. The balance brings together a delightful freshness and voluptuous body.

CROZES HERMITAGE

«EMPREINTE DU RHÔNE»

RED WINE 2017

Located between Valence and Lyon, Cave de Tain lies at the foot of the Hermitage hill. Situated at the heart of the historic Côtes du Rhône northern vineyard, it grows and sells 5 crus and Vins de Pays from over 1000 hectares of vines (the Hermitage, Crozes Hermitage, Saint Joseph, Cornas, and Saint Péray appellations), making it the main producer of the northern Rhône Valley crus.

Highly expressive of a beautiful Syrah expressed through creamy blackcurrant, it alone produces 50% of the appellation. Its contribution to maintaining wine heritage is a perfect illustration of its approach to sustainable development. A brilliant success!

Deep red in appearance with deep purple highlights.

Intense, delicate aromas of red and black fruits, accompanied with fleshy, peppery, delicately spicy, toasted notes.

Full, concentrated and silky with surprising sweetness and mature, heady tannins. The finish is long, fleshy, and peppery with fresh blackcurrant, violets and oriental spices.

BRUNEL DE LA GARDINE

«CÔTES DU RHÔNE»

RED WINE 2015

The winemaking tradition of the Brunel family dates back to the 17th century. Gaston Brunel, a renowned trader, acquired Château de la Gardine in Châteauneuf du Pape in 1945. The estate is now owned by his two sons, Patrick and Maxime, supported by their wives Eve and Maryse and their children Marie-Odile and Philippe. The estate extends across 52 hectares of vines (48 hectares of red and 4 hectares of white) and 20 hectares of forest distributed around the property. The estate is known for the quality of its wines, but also for the special Gardine bottle. Today around 70% of the estate's production is exported to around thirty countries. Powerful nose with aromas of prunes and candied fruits. Voluptuous on the palate. If you enjoy rich wines, this Lirac is made for you.

A beautiful deep red in appearance.

A fruity bouquet with small red fruits, developing into more complex aromas of candied cherries and stone fruits.

RHÔNE VALLEY

CÔTES DU RHÔNE

«PRESTIGE VIEILLES VIGNES»

RED WINE 2015

Second vineyard in France in terms of wine production volume, the Rhône valley is also one of the oldest vineyards in France. Along the northern coasts on granite slopes, the main grape category produced is the Syrah. As for the southern coasts, the vine takes up all the space on rather calcareous soils with many grape varieties. Along the river carrying stones and history, the Rhône valley conceals many surprises: diversification of soils, climates and grape varieties allow wines to be produced for all tastes!

These winemakers have carefully selected, from many areas, grape varieties from Vieilles Vignes, which gives it great quality.

They were able to pool their know-how and produced a quality wine, with powerful fruity aromas, which displays all the qualities of a great Rhône wine.

ROSE 2017

This estate has a qualitative approach to producing rose wine. 80% of the crop is harvested by hand in small trays ! The Garrus and «Les Esclans roses» share the top billing with ageing in oak barrels, a blend of Grenache and Rolle, and an appearance fit to send the roses of Provence green with envy! Its style as a Grand Vin of Burgundy combined with notes of small red fruits has won it many awards! This is the rose considered by most to be the best in the world! Created from vines aged over 80 years and produced in very small quantities. Garrus is a blend of 70% Grenache and 30% Rolle. The harvest, carried out manually, takes place from sunrise until midday and the grapes are collected in small trays to prevent their oxidation. The wine is aged in oak barrels for around 10 months.

A very clear rose with peach and salmon pink highlights

More pronounced flavours of wood, coconut, dried fruits and banana.

ROSE

Château Sainte Roseline, a 12th century abbey, is ideally located just thirty minutes from the bay of Saint Tropez and Croisette in Cannes, Verdon Gorge and Aix-en-Provence. On this same thousand-year-old terroir, art (old and new) and the art of winemaking flourish side by side. Today, the estate extends for 108 hectares, across which 11 different grape varieties are cultivated to create red, white, and Rose Cru Classé wines.

The wine produced by the property is subject to the most careful attention. The vines are traditionally managed and the natural elements of the terroir respected whilst adapting to the subtleties of each grape variety. The grapes are harvested from the end of August to the end of September, and each variety fermented separately.

Crystal clear and bright in appearance.

Intense, combined with notes of red fruits and a hint of boiled sweets.

The attack is lively and gives way to a good length that expresses the freshness of Provençal Rose wines.

ROSE

This wine originates from a selection of plots in Côte de Provence. Harvested at night, the skin maceration takes place in the press for several hours before fermenting at low temperatures to develop the aromas and finesse of this refined wine.

A testament to its consistent quality over the years, the Cru Classé de Provence ranking, awarded only to the 23 highest-quality properties, was obtained in 1955.

Clear salmon pink with grey highlights.

Initial nose: Freshly cut herbs, vine flowers
Secondary nose: Floral, old roses, powdered petals.

Fine texture, lovely roundness, very good body from the pleasant fattiness.

Sustained aromatics with a good length. A crispness reminiscent of slightly aniseed boiled sweets, small young fennel, or Berlingots de Carpentras sweets. The Tibouren grape is the most expressive and is predominant in the wine.

Château Rasque: heritage and a way of life, acted out on its 100 hectares of land, the estate is testament to a way of life and work where tradition, a love of quality, and skill come together for a single purpose. It is this natural spur, 260m high, that features the chalky clay soil key to growing vines. This type of soil is very good for drainage, and prevents water stress, typical for our sun-drenched region.

Bright and pale in appearance with hints of golden pink.

JAS DES OLIVIER

CUVÉE SAINTE-BRIGITTE

WHITE WINE 2019

A vineyard activities with traditional methods is perpetuated by this family. The name «JAS» means sheepfold. Before, where the estate is located was an old sheepfold and the sheep grazed in the surrounding meadows.

The very fragmented vineyard is made up of 4 plots: lakes, Roquebrune, Sainte-Brigitte and Valescure, where the different grape varieties find their place according to the terroirs characteristics. The clay-limestone soils and the presence of a deep source supplies the vine, guaranteeing a production of great wines.

The friendly growing vineyard requires a grape harvest that goes from early September to mid-October.

 Silver flakes enliven the robe of this wine.

 An intense nose of pear citrus, white flowers and hawthorn.

 Sweet, with an acidulous touch. A long finish in the mouth with white flowers aromas.

SAINT-BRIS

WHITE WINE 2015

Saint Bris is a dry white wine that goes into the still wine category. It is produced in the Burgundy, in the Chablis wine region. Its terroir benefits from a temperate-oceanic climate with continental trends and limestone soils.

The main grape variety used to make this wine is the Sauvignon Blanc.

In order to preserve the freshness and the typical aromas of the Sauvignon, this wine is vinified in thermoregulated stainless steel tanks. This Saint-Bris is lively and dashing, a success! Intense and fresh, but also fat and with a taste of brioche, this Sauvignon is perfectly mastered.

Beautiful bright robe with golden shades.

Fresh and fruity with citrus and boxwood aromas.

Fresh and silky mouthfeel filled with vivacity. A wine of exquisite lightness.

WHITE WINE 2017 OR 2018

Marc Rougeot, now supported by his son Pierre-Henri, operates the 14 ha of this family and traditional Meursault estate. The wines have been in good progress these recent years, gaining precision and brilliance. It is the result of a parallel work in the vineyard and in the cellar, with softer and neat vinifications. This wine is very beautiful, with a fleshy burgundy, but not too heavy and a delicious energetic and very elegant monthelie.
